RE: Distribution of Food during School Closure due to COVID-19

Dear Parent or Guardians,

With the closure of TAS/ACES/WAHS, our Food Services Department understands the immediate burden this may cause for your families to feed your children. We at the Accelerated Schools would like to ease this burden and use our resources to continue feeding your child **free of charge**.

We have implemented the following feeding program to begin Monday, March 16th. Both breakfast and lunch meals will be handed out meals at our front gate area, located at 4000 S Main St in Los Angeles.

To limit exposure for our students and staff we will have drive-up service available from 10 AM to 1:00 PM Monday through Friday during school closure. We ask that parents and/or guardians drive to our front gate where they will be met with a food services representative. Each child will be given two meals. The meals will be lunch for the day and a breakfast meal for the following day.

This program is not limited to only students of our schools, but also siblings, additional family members, and neighbors of the surrounding TAS community. For families that do not have access to a vehicle we will also have a walk-up area where we will distribute the meals.

Although we are providing these meals to your families, out of an abundance of caution we will not be providing an eating area. We ask that all participants that receive meals please take them home to eat.

We encourage that you share this service with other members of the immediate community that may be affected by a school closure. For any questions please call 323-235-6343 or visit our school website at accelerated.org.

Kindly,

Food Services Department

RE: Distribución de alimentos durante el cierre escolar a consecuencia de COVID-19

Estimado padre o tutor legal,

Con el cierre de nuestros planteles escolares ACES, TAS y WAHS, nuestro Departamento de Servicios de Alimentación entiende la carga inmediata que esto puede provocar en las familias para alimentar a sus estudiantes. Nosotros en The Accelerated Schools queremos aliviar esta carga y utilizar nuestros recursos para continuar alimentando a su estudiante de forma gratuita.

Implementaremos el siguiente programa de alimentación comenzado lunes 16 de marzo. Se ofrecerán tanto el desayuno como el almuerzo en nuestra puerta principal en el 4000 S Main St., en Los Angeles.

Para minimizar la exposición de nuestros estudiantes y personal escolar tendremos un servicio de comida para llevar disponible de 10 AM a 1:00 PM de lunes a viernes mientras dure el cierre escolar. Solicitamos que manejen su vehículo hasta la puerta escolar principal donde estará un miembro del personal de la cafetería. Cada estudiante recibirá dos (2) comidas. Estas comidas serán el almuerzo del día y el desayuno para la mañana siguiente.

Este programa no se limita a estudiantes de nuestras escuelas, pero se extiende también a sus hermanos, cualquier otro miembro de la familia y vecinos de la comunidad que rodea a The Accelerated Schools. Para las familias que no tienen acceso a un vehículo también tendremos un área de servicio para los que lleguen a pie donde también se distribuirán alimentos.

Aunque proporcionaremos estos alimentos, por precaución no se proporcionará un área para comer. Solicitamos que todos los participantes que reciban alimentos se los lleven a casa para consumirlos.

Los animamos a compartir esta información con otros miembros de comunidad inmediata que también puedan estar afectadas por el cierre escolar. Si tiene cualquier pregunta llame al 323-235-6343 o visite nuestro sitio de internet en accelerated.org.

Cordialmente,

Departamento de Servicios de Alimentación
