

FREE SPECTRUM WIFI Connectivity Guide

*When starting up laptop a “Network not available” window will pop up. If it does not, at the bottom right corner you will see a signal icon. Click on it to select a network. *

Select “Spectrum Wifi” network from the network list.

Check box under “Free WiFi access” and then click on sign in. *No account needed*

After connecting you will see a window to sign into your account. You are connected.

Spectrum is offering Free WiFi access through May 15. If Spectrum WiFi network is not available in the area, please contact **Spectrum Support** at **1.844.488.8398**.
