# LPSBG - Academic Plan for TAS & WAHS

- **How will the effectiveness of the evidence-based services be measured?:**
  - The iReady program will provide diagnostic benchmark assessments 3 times a year, backfill student deficit areas and challenge grade level students.
  - The iReady Diagnostic assessments given 3 times a year will measure the growth of students from the beginning, middle and end of year.
  - iReady's online individualized lessons and teacher tools for instruction will allow for small group, focused and directed instruction.
  - We will track the performance of students who are performing below grade level and compare the growth of students to the end of year diagnostic test.
- **How are services aligned with and described in the LEA's LCAP?:**
  - The LPSBG academic plan is directly aligned with the goal, actions and services provided in each schools' LCAP, specifically under GOAL 1:
    - Utilize targeted, research -based interventions in ELA and Math
      - iReady
      - Tutoring
      - Pre/Post Assessments
      - Before and After-School focused support
