

DELAC Form

School: Wallis Annenberg High School

Topic: Additional Support for English Language Learners & the Community

Recommendation(s):

1. The DELAC recommends that our school offer an ELD Bootcamp.
2. The DELAC recommends that our school offer Parent Workshops with a Literacy Focus.
3. The DELAC recommends that our school offers a variety of Parent Engagement opportunities.

Justification:

1. **ELD Bootcamp:** During the second semester of the 2020-2021 School Year, we have planned a series of Saturday ELD Workshops for our English Learners. The Saturday ELD Bootcamp sessions will support students with enhancing language acquisition skills and provide test taking strategies outside of the normal school day.
2. **Parent Workshops with Literacy Focus:** We have planned a variety of Parent/Guardian Workshops that include a Literacy focus. The goal of these sessions is to support parents in building literacy and promoting communication and engagement with their child.
3. **Parent Engagement Opportunities:** Provide a variety of on-going Parent/Guardian engagement opportunities that promote building partnerships between parents/guardians and school staff. Parent engagement opportunities will range from (but are not limited to): trainings on digital platforms used during Distance Learning (Summit, Vista, Powerschool, etc), sharing and understanding student progress, understanding instructional practices, and building community. This will empower parents to be able to monitor their child's progress and be aware of the resources available for support.
