## TAS Statement on 1.6.21

Six months ago, we condemned the acts of bigotry, injustice, and violence that led to the Black Lives Matter protests. Today, only a few weeks into a new year that held such promise, we find ourselves condemning a violent insurrection against the U.S Capitol and our democracy itself.

While we live in divisive and complicated times, our TAS community is united in our commitment to our scholars and our hopes for their bright future.

TAS will continue to educate, support, and inspire our students, families, faculty, and staff. We will model civility and promote civic action for change. We will lean on each other as a community in order to get through a truly unprecedented time in our history.

Our hearts go out to our students, families, faculty, and staff during these challenging times.
