

The Accelerated School

Spring 2022 Consolidated Application Reporting System (CARS) Data Collection Board Summary

The Consolidated Application is used by the California Department of Education to distribute funds from various Federal programs to county offices, school districts, and charter schools throughout California. Every local educational agency (LEA) certifies the Spring Release data collections to document participation in Federal programs under the Every Student Succeeds Act (ESSA) and provide assurances that the LEA will comply with the legal requirements of each program.

This spring data collection for the 2022-23 application must be submitted by September 12, 2022, to request or decline participation in the federal programs listed below.

The Winter Release of the application, to be certified in February 2023, will contain each school's FY22/23 entitlements for each funded program. Program entitlements are determined by formulas contained in the laws that created the programs.

Federal Program Descriptions

2022–23 LCAP Federal Addendum Certification

Local Agency Systems Support Office, LCAPAddendum@cde.ca.gov, 916-323-5233

Initial Application

To receive initial funding under the Every Student Succeeds Act (ESSA), a local educational agency (LEA) must have a plan approved by the State Educational Agency on file with the State. Within California, LEAs that apply for ESSA funds for the first time are required to complete the Local Control and Accountability Plan (LCAP), the LCAP Federal Addendum Template (Addendum), and the Consolidated Application (ConApp). The LCAP, in conjunction with the Addendum and the ConApp, serve to meet the requirements of the ESSA LEA Plan.

In order to initially apply for funds, the LEA must certify that the current LCAP has been approved by the local governing board or governing body of the LEA. As part of this certification, the LEA agrees to submit the LCAP Federal Addendum, that has been approved by the local governing board or governing body of the LEA, to the California Department of Education (CDE) and acknowledges that the LEA agrees to work with the CDE to ensure that the Addendum addresses all required provisions of the ESSA programs for which they are applying for federal education funds.

Returning Application

If the LEA certified a prior year LCAP Federal Addendum Certification data collection form in the Consolidated Application and Reporting System, then the LEA may use in this form the same original approval or adoption date used in the prior year form.

County Office of Education (COE) or District For a COE, enter the original approval date as the day the CDE approved the current LCAP. For a district, enter the original approval date as the day the COE approved the current LCAP
