Grade Span: K-6

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a

dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2023–24)

As the Principal of ACES, I'm excited to be a part of an active, welcoming community of teachers and parents who are proud of the school's history and distinctive dual language immersion program.

Working closely with our teachers and parents, I'm passionate about cultivating a lifelong culture of learning, and continuing to provide the kind of education our students deserve in an environment that is both academically challenging and culturally rich. I hope to build upon this diverse community to ensure that our students continue to feel connected and belong.

ACES' approach is close to my heart and mirrors my own work history. As a fully bilingual and bi-cultural teacher and administrator, my education and professional career have prepared me to take on this challenge and to help lead the ACES community into the future.

For more than 25 years, The Accelerated Schools, which includes Accelerated Charter Elementary School, have embraced a commitment to academic excellence and achievement guided by the belief that all students can excel when nurtured in a school environment that combines high expectations for students, and active involvement from parents and the community.

Accelerated Charter Elementary School prepares students with the foundational knowledge, tools and skills needed to be productive, engaged citizens and lifelong learners. Our goal is to instill from an early age the important academic and character strengths that will help them succeed in college, career and life.

We believe the Accelerated Charter Elementary School enriches the lives of students and their families through a mix of academic, cultural, and community-focused programming and has been instrumental in transforming the South Los Angeles community.

Mission Statement: The Accelerated Schools will graduate students who are prepared to succeed at the university and career of their choice who will enter the workplace as informed and productive employees, entrepreneurs, community leaders, and will act as responsible citizens.

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2023-24)

Year and month in which the data were collected: January 2024

Accelerated Charter Elementary School sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. All textbooks and instructional materials used within the school are aligned with the Common Core State Standards. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core

subjects for use in the classroom and to take home. Instructional materials for grades K-6 are selected from the State's most recent list of standards-based materials.

School Facility Conditions and Planned Improvements

The school conducts semi-annual maintenance projects such as painting, waxing floors and cleaning carpets. The Accelerated Schools and ACES have a comprehensive site-specific Health, Safety and Emergency Plan, including the acquisition and maintenance of adequate onsite emergency supplies, in place. The Accelerated Schools and ACES ensures that staff receives annual training on the school's health, safety, and emergency procedures, and maintains a calendar form and conduct, emergency response drills for students and staff. Periodic reviews and modifications are made as necessary in regards to the Health, Safety and Emergency Plan, and it is readily available for use and review upon request. The school will comply with the Healthy Schools Act, California Education Code Section 17608 and the school, its employees and officers will comply with the Family Educational Rights and Privacy Act (FERPA) at all times.

The school is maintained in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven taking and completed state-administered assessment

Mathematics (grades 3-8 and 11)	37%	32%	27%	29%	33%	34%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative

Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2022–23) Percentage of Students Participating in each of the five Fitness Components

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students who meet or exceed the standards in all six fitness areas are considered to be physically fit or in the Healthy Fitness Zone (HFZ).

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2023–24)

ACES is committed to working collaboratively with parents and the surrounding community to bring about progress and student success. ACES genuinely values the input and support of all its members (educational partners). We believe that parent involvement increases student achievement and that is our ongoing responsibility to develop and maintain strong home-school relationships. ACES has worked diligently to create a very strong partnership with our parents and community.

ACES holds parent meetings throughout the year where families meet in two ways:

- parents meet with their child's teacher to receive information about grade level academic standards, their child's learning progress, social-emotional well being, classroom activities, and ways to support learning at home. All of our teachers are bilingual and can communicate directly with parents.
- Families gather for larger whole group presentations where text and or speaking points are translated. Topics that address school readiness, test preparation, healthy living, community safety and awareness, and parenting, provide families with tools to be successful in their home and school life.

Parents participate in Parent Advisory Committee Meetings (PAC) and English Learner Advisory Committee (ELAC) for parent advisement of categorical programs.

ACES strives to create a Vibrant Culture of Volunteerism: Parents volunteer inside and outside of the classroom as a way to support their child's education at school and at home.

Ongoing educational partner surveys are given throughout the school year to gain educational partner input.

ACES engages parents in school-wide events throughout the year such as assemblies, awards ceremonies, and various parent workshops.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- Chronic Absenteeism

Chronic Absenteeism by Student Group (School Year 2022–23)

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a “chronic absentee”. Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district.

Professional Development

Professional development within the school addresses the individual needs of teachers and students as well as broader school needs.

Both the site leaders and district level leads provide Professional Development in all content areas using a variety of models, such as Collaborative Learning Rounds, PLC, Staff Meetings, and more.

Professional Development includes, but is not limited to: English Language Arts, English Language Development, Writing, Math, MTSS, Special Education, and SBAC.

Professional Development is also conducted through coaching, modeling lessons, and Instructional Classroom Walk Throughs with feedback.

Professional Development is provided to all educational partners at the school site.
