Grade Span: K-8

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a

dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2023–24)

For more than 25 years, The Accelerated Schools have embraced a commitment to academic excellence and achievement guided by the belief that all students can excel when nurtured in a school environment that combines high expectations for students, and active involvement from parents and the community.

TAS prepares students with the foundational knowledge, tools and skills needed to be productive, engaged citizens and lifelong learners. Our goal is to instill from an early age the important academic and character strengths that will help them succeed in college, career and life.

We believe TAS enriches the lives of students and their families through a mix of academic, cultural, and community-focused programming and has been instrumental in transforming the South Los Angeles community.

Mission Statement: The Accelerated Schools will graduate students who are prepared to succeed at the university and career of their choice who will enter the workplace as informed and productive employees, entrepreneurs, community leaders, and will act as responsible citizens.

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2023-24)

Year and month in which the data were collected: January 2024

Accelerated sets a high priority upon ensuring that sufficient and current textbooks and materials are available to support the school's instructional program. All textbooks and instructional materials used within the school are aligned with the Common Core State Standards. All students, including English Learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Instructional materials for grades K-8 are selected from the State's most recent list of standards-based materials.

School Facility Conditions and Planned Improvements

From the most recent FIT report dated 1/13/22, the school received an overall rating of GOOD indicating that between 90%-90.99% of the school is maintained in good repair.

The school conducts semi-annual maintenance projects such as painting, waxing floors and cleaning carpets. The Accelerated School has a comprehensive site specific Health, Safety and Emergency Plan, including the acquisition and maintenance of adequate onsite emergency supplies, in place. The Accelerated School ensures that staff receives annual training on the school's health, safety, and emergency procedures, and maintains a calendar form and conduct, emergency response drills for students and staff. Periodic reviews and modifications are made as necessary in regards to the Health, Safety and Emergency Plan, and it is readily available for use and review upon request. The school will comply with the Healthy Schools Act, California Education Code Section 17608 and the school, its employees and officers will comply with the Family Educational Rights and Privacy Act (FERPA) at all times.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2022–23) Percentage of Students Participating in each of the five Fitness Components

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in six major areas. Students who meet or exceed the standards in all six fitness areas are considered to be physically fit or in the Healthy Fitness Zone (HFZ).

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2023-24)

The Accelerated School (TAS) has implemented multiple ways for students and their families to provide input and to be involved in school events and activities.

Parents are informed of upcoming meetings, town halls, SSC/ELAC via the Remind App and Robocalls.

To ensure equity of voice for all communities of English Learners, administrators will provide necessary access to all parents/guardians to public meetings and hearings via different platforms, at different times of the day, as requested by parents. Translators are available upon request.

Many programs are in place that build strong parent and family engagement programs. They are foundational in supporting strong school-family partnerships in our school community. Shared leadership occurs through our District Advisory and District English Learner Advisory with site leadership committees and our Parent Advisory Committee (PAC).

Monthly parent meetings where families meet in two key ways: Parents meet in small classroom groups with their child's teacher to receive information about grade level academic standards, their child's learning progress, classroom activities and ways to support learning at home. Translation is provided. Families gather for larger, whole group presentations where text and or speaking points are translated. Topics are covered that address school readiness, test preparation, internal and state assessment data, healthy living, community safety and awareness, and parenting. This helps to provide families with tools to be successful in their home and school life.

TAS also has a vibrant culture of volunteerism: Parents volunteer inside and outside of the classrooms as a way to support their child's education.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- Chronic Absenteeism

Chronic Absenteeism by Student Group (School Year 2022–23)

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a “chronic absentee”. Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district.
