Introduction

The Governing Board of The Accelerated Schools has reviewed and adopted the following policies and procedures to ensure the most effective use of the funds of The Accelerated Schools to support its mission and to ensure that the funds are budgeted, accounted for, expended, and maintained appropriately.

The Accelerated Schools has contracted with ExED for various business services including budgeting, financial reporting, and forecasting; accounting and bookkeeping; cash management; payroll; and CALPADS reporting.

Accounting Procedures

This section covers basic accounting procedures for the School, which shall conform to Generally Accepted Accounting Principles (GAAP) to ensure accuracy of information and compliance with external standards.

Basis of Accounting

Policy: The School uses the accrual-basis of accounting, meaning that revenue and matching expenses are recognized when they are generated—not when money actually changes hands.

Procedures:

- Throughout the fiscal year, revenue is recorded in the month in which it is received, and expenses are recorded in the month in which they occur.
- At the close of the fiscal year, all revenue earned in the fiscal year, but not received is accrued. All expenses that have been incurred but not paid are also accrued. This ensures that the year-end financial statements reflect all revenue earned and all expenses incurred during the fiscal year.
- Year-end books, inclusive of adjusting journal entries, are closed no later than December 15, the date by which the audit report must be submitted to the state controller and respective reporting agencies.

Bank Reconciliations

Policy: Bank reconciliation and approval will occur monthly.

Procedures:

- The ExED Accounting Associate or Senior Accounting Associate (AA/SAA) assigned to the School will print the bank statements directly from the online banking system. If online banking is unavailable, the School will make copies of the original statement available to ExED.
- The ExED AA/SAA will prepare the bank reconciliation.
- The ExED Accounting Manager or Vice President, School Finance assigned to the School will review and approve the bank reconciliation by initialing and dating the report.
- The School's Chief Business Officer (CBO), Accounting Manager, and/or Director of Fiscal Services shall periodically review the monthly bank reconciliation for timeliness and reporting. The bank reconciliation will be used to ensure outstanding checks are not over 90 days old.

The Accelerated Schools FISCAL POLICIES AND PROCEDURES

BOARD APPROVED October 16, 2024

- Interest and investment income from pooled cash and investments will be allocated monthly to all sites based upon the prior month-end cash and investment balance of each site and as a percentage of the month-end total pooled cash and investment balance. Each month, the CBO, Director of Fiscal Services, or Accounting Manager will review the calculation, along with the month-end reconciliation, for timeliness, accuracy, and appropriateness.

Record Keeping

Policy: Financial records will be retained for a minimum of seven years.

Procedures:

- ExED will retain financial records, including transaction ledgers, canceled/duplicate checks, attendance and entitlement records, payroll record, and any other necessary fiscal documentation at its site until the prior year audit has been completed.
- ExED will deliver financial records to the School for storage for the remaining years of the seven-year retention period.
- At the discretion of the Governing Board or CBO/CFO, certain documentation may be maintained for a longer period.
- Financial records will be shredded at the end of their retention period.
- Backup copies of electronic and/or paper documentation should be stored in a secure location.

Internal Controls

The School employs several safeguards to ensure that financial transactions are properly authorized, appropriated, executed and recorded.

All documentation related to financial matters will be completed by computer, typewriter, or ink. Completion by pencil is not permitted. The School employs various electronic systems and processes to complete the work associated with its fiscal operations (e.g., SpendBridge, Paycom). The electronic systems the School chooses to use may change over time and new electronic systems may be introduced. The School will configure the electronic systems to ensure they align to the School's internal controls.

Invoice Approval & Processing

Policy: The CBO or his/her designee must approve all invoices. The following procedures will be performed either manually or electronically.

Procedures:

- The Accounting Clerk, Accounting Manager, or Director of Fiscal Services will open and review invoices and bills and will notify the CBO of any unexpected or unauthorized expense.
- When receiving tangible goods from a vendor, the Accounting Clerk, Accounting Manager, or Director of Fiscal Services will trace the merchandise to the packing list and note any items that were not in the shipment.
- The Accounting Clerk, Accounting Manager, or Director of Fiscal Services will code invoices to the correct budget line.
- If the vendor is a sole proprietor or a partnership (including LP, and LLP) providing a service, the Accounting Clerk, Accounting Manager or Director of Fiscal Services will obtain a W-9 from the vendor prior to submitting any requests for payments to ExED.
- Invoices are then routed to the CBO for payment approval.
- ExED will review the invoice for sufficient supporting documentation, verify the coding, and process payment.

Cash Disbursements

Policy: Bank checks will be issued upon receipt of appropriate documentation (e.g. vendor invoice, purchase order, packing slip, etc.).

Procedures: Three methods are used to issue vendor payments:

Bank Check

- Once an invoice is approved by the Senior Accountant for payment, the ExED Accounting Analyst will prepare an in-sequence check and will submit the check to the ExED AM or VP.
- The CBO will review transaction activity on a weekly basis to ensure for accuracy and reasonableness.
- The ExED AM or VP will review the supporting documentation for completeness and the check for accuracy and will sign the check with the facsimile signature stamp of approved signers, which is maintained in a secured location when not in use.
- The School's approved check signers are the following:
 - Board President
 - CEO
 - CBO
 - Director of Operations

The Accelerated Schools FISCAL POLICIES AND PROCEDURES

BOARD APPROVED October 16, 2024

- Director of Fiscal Services
- ExED will distribute the check as follows:
 - Original – mailed or delivered to payee.
 - Duplicate or voucher – attached to the invoice and filed by vendor name by an ExED accountant.
- Should a check need to be voided, “VOID” will be written in ink on the signature line of the check.

Nvoicepay/Corpay (outsourced payment provider)

- Once an invoice is approved by the Accounting Clerk, Accounting Manager, or Director of Fiscal Services for payment, the ExED Accounting Analyst will submit the invoice to Nvoicepay for payment. The ExED AM or VP will review the payments submitted to Nvoicepay and will approve or reject each vendor payment.
- The CBO will review transaction activity on a weekly basis to ensure for accuracy and reasonableness.
- After ExED AM or VP has approved a vendor payment, Nvoicepay will electronically withdraw funds from the organization’s bank account and transfer the funds to a Nvoicepay trust account. Each vendor payment will be a separate bank withdrawal and a separate line on the bank statement. Nvoicepay will then issue payments to the organization’s vendor. The payments are disbursed from Nvoicepay’s trust account via one of three payment methods: Check, ACH, or payment card. The payments will include a Reference ID that ExED will record as the transaction number in ExED’s accounting system. The Reference ID will not be in sequence as it is based on Nvoicepay’s numbering system.
- Nvoicepay will save an electronic check copy for any paper checks issued and Nvoicepay will save vendor remittances for any ACH or payment card payments issued.
- Nvoicepay will stale date payments after 90 days. When this situation happens, Nvoicepay will void the payment and credit the funds back to the organization's bank account. ExED may also
 - direct Nvoicepay to reissue a payment prior to the 90-day deadline. In this case, Nvoicepay will void the original payment and issue a new payment. The new payment will be recorded as a payment modification and will be linked to the original payment in Nvoicepay. The new payment will have a new Reference ID for tracking purposes; however, the new Reference ID will not be updated in ExED’s accounting system where the original Reference ID is recorded as the new transaction is only impacting Nvoicepay’s account.

ACH Payment Initiated by Business Services

- Once an invoice is approved by the Accounting Manager or CBO for payment, the ExED Accounting Analyst will enter the ACH payment online and will submit the payment documentation to the ExED AM or VP.
- The CBO will review transaction activity on a weekly basis to ensure for accuracy and reasonableness.
- Any new ACH payees or changes in payment methods will be independently verified before entering the change into the online banking platform.

Wire Transfers and Bank ACH Transactions

 - The Accounting Clerk, Accounting Manager, or Director of Fiscal Services will forward the petty cash reimbursement form and original supporting documentation to ExED.
 - The ExED Accounting Analyst will record the petty cash disbursements in the general ledger and issue a check made payable to the CBO in the amount of the total petty cash disbursement.

Allowable and Questionable Expenses

As stated in the Fiscal Crisis & Management Assistant Team's (FCMAT) California Charter School Accounting and Best Practices Manual, all purchased by a district must be in compliance with the law and local board policy and cannot be considered a gift of public funds.

In general, the constitutional prohibition against the gift of public funds is not an issue when the direct and primary public purpose results in the public receiving a benefit from the expenditure. However, if the gift is to an employee or other individual and there is no benefit to the public as a result, it can be considered a gift of public funds.

Expenditures of school funds must be for a direct and primary public purpose to avoid being a gift. "In determining whether an appropriation of public funds or property is to be considered a gift, the primary question is whether the funds are to be used for a "public" or a "private" purpose. If they are for a "public purpose", they are not a gift within the meaning of."

If an expenditure serves a primary public purpose, it is not a gift even if it incidentally benefits an individual.
